Our Story

**It all started with a very simple and powerful idea:
Feel inspired and live your dream!**

Going on a few kite adventures we came to realize that the kind of water sports related beach club that we are searching for doesn't exist how we dreamed it up.

So what's next? We would just have to build our own!

The Numero Uno Beach House was born out of a dream to seek water adventure and create the best spot; our spot - to enjoy water sports - and chit-chat endlessly watching the sunset with an Aperol spritz.

We hope you enjoy our laid-back fun beach vibe. Let us take you on a culinary experience prepared with fresh & healthy ingredients and hand-crafted cocktails. We promise you won't ever grow tired of our unsurpassable views!

Fun fact: In the summer-time leatherback sea turtles are nesting and hatching on the beach by Numero Uno Beach House.

We are proud supporters of the 7 Quillas organization on their quest to help preserve and aid this beautiful species!
